## Tim Brown elected 10th president of MCH

Tim Brown, a veteran child care administrator, was elected president and chief executive officer of Methodist Children's Home during a meeting of the Home's Board of Directors on June 18.

The announcement was made by Dr. Clayton Oliphint, chairperson of the Board of Directors.

Brown has held various leadership roles during 26 years of service at MCH, most recently as vice president for community services. He was named interim president at MCH April 1 following the retirement of Bobby Gilliam, who served seven years as president. Brown becomes the 10th president in the Home's 120-year history.

"The Board is confident that Tim Brown has the experience, knowledge and vision to lead Methodist Children's Home into the future," Oliphint said. "He is a person of deep faith and has great compassion for at-risk kids. He has a proven ability to unite people for a common purpose."

Brown leads an agency that serves 1,400 children and youth through residential group care, foster care and a variety of family and community services. In addition to residential programs in Waco, the Boys Ranch and Waxahachie, MCH provides services through 13 outreach offices in Texas and New Mexico.

"I am humbled by the confidence of the Board of Directors and look forward to the challenges and opportunities that will come through this new role," Brown said. "Our mission is to offer hope to children and families through our nurturing, Christian community. I am enthusiastic about the potential we have to help meet the needs of hurting children and families who find themselves in difficult situations."

Brown will draw from his vast knowledge and expertise in child care to lead MCH. In addition to serving in various roles in

Throughout his career, Tim Brown has been called on to share his expertise in child care for organizations serving at-risk children, youth and families at the local, state and national levels.

direct child care and administration at MCH throughout his career, Brown served as president and chief executive officer of Lee and Beulah Moor Children's Home in El Paso from 1991-2000. He then returned home to Central Texas to serve as vice president of child care at MCH.

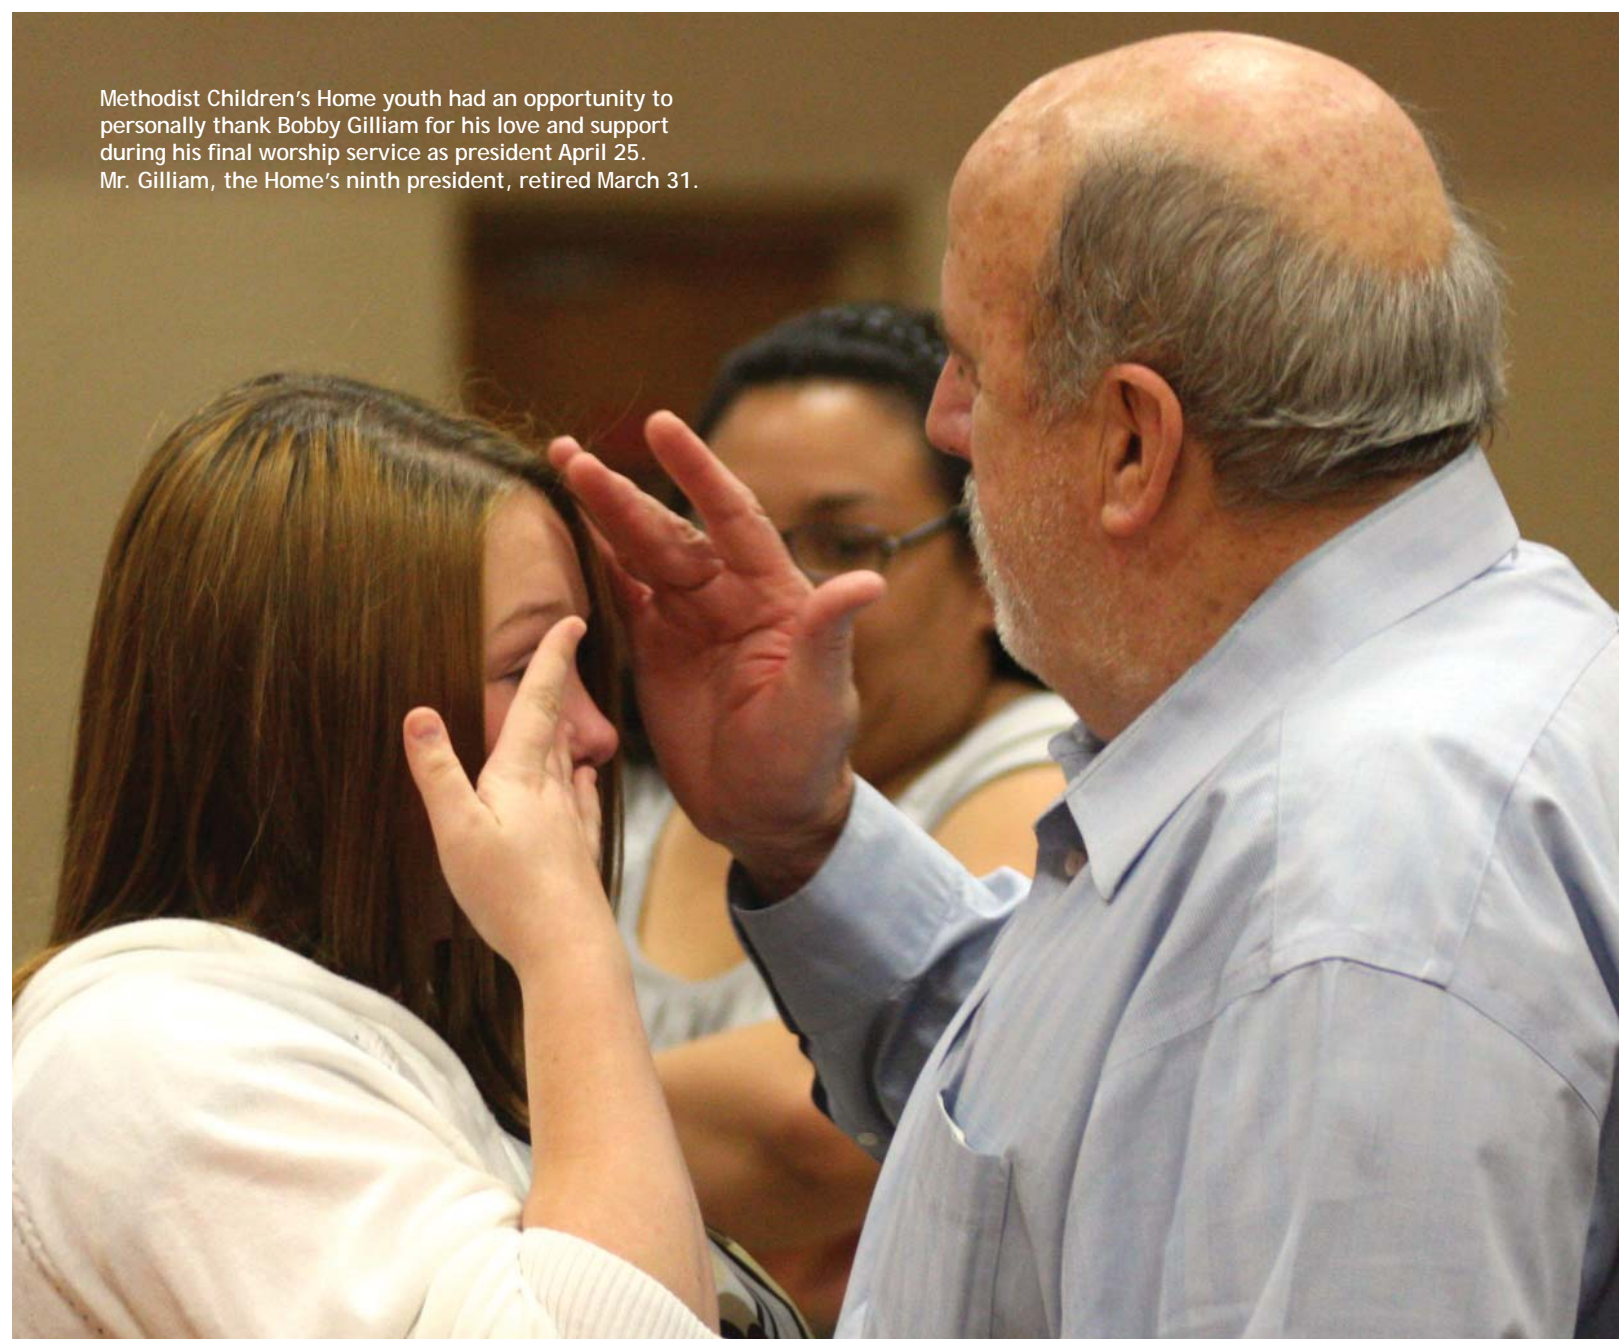

Brown has been a strong advocate of services to children in Waco and throughout the state. He has served on the Baylor University Social Work Advisory Board, the McLennan Community College Curriculum Advisory Boards for Child Care and Mental Health, and the Texas Association of Licensed Children's Services, among others. He has been a member of the Child Fatality Review Teams of El Paso County and McLennan County the past 15 years.

A resident of Crawford, Brown earned degrees from Baylor University and Tarleton State University. He and his wife, Susan, have three children – Remi, K.C. and Matt.

# Bobby and Linda Gilliam

## *Celebrating a life of influence*

Visionary. Advocate. Servant leader. Mentor. Friend. Hero.

These are just a few of the words used by Methodist Children's Home alumni and staff members, as well as professional colleagues, to describe Bobby Gilliam's influence on their lives. For nearly four decades, including 30 years at MCH, Gilliam fulfilled his calling to offer hope to at-risk children and youth while bringing out the best in those who worked alongside him. Throughout his career, Gilliam earned widespread respect at the local, state and national levels for his passion to serve at-risk children.

Staff members, MCH youth and friends of this ministry honored Bobby and Linda Gilliam for their commitment and contributions to the Home during special events in April. Gilliam retired March 31 as president of MCH.

MCH youth on the Waco campus, Boys Ranch and Waxahachie campus joined the Gilliams and their family for a worship service April 25. Josh, a senior on the Waco campus, expressed appreciation to the Gilliams on behalf of current residents. Alumni Josh Shroyer and Pablo Villanueva shared their testimonies about the Gilliams' influence on their lives. Following the service, the student representatives from each residential campus hosted the Gilliams and their family for lunch.

A public reception was held April 30 for the Gilliams. Special presentations were made by the MCH Board of Directors, the Central Texas Conference of the United Methodist Church, Waco and state officials, and child care agencies.

Bobby and Linda Gilliam were honored at a retirement reception April 30. The framed jersey was presented to Mr. Gilliam by MCH youth in recognition of his service as the 9th president of MCH.

During the reception, Mr. Gilliam was honored for his contributions to the growth of the Home. One of his most significant achievements at MCH came in the 1990s when he led an effort to implement the strength-based philosophy of care and structured care home units when he served as vice president for child care. The strength-based philosophy and structured care program enabled MCH to serve youth who had a level of needs the Home could not effectively meet at that time. Along with the commitment and expertise of child care staff and the financial support entrusted to the Home by its donors, the transition to the

strength-based philosophy has enabled MCH to continue to expand services while many agencies are eliminating residential care programs or closing their doors.

In 2003, Mr. Gilliam fulfilled his dream to serve as president of MCH. Not long after he began his tenure, he challenged his staff to find ways to serve more children. Today, MCH serves more than 1,400 children and youth through a variety of programs in Texas and New Mexico. Although MCH has achieved significant growth under his leadership, Mr. Gilliam gives credit to God, dedicated staff members, faithful donors and resilient children for the success of this ministry.

The Methodist Children's Home family is grateful for the contributions Bobby and Linda Gilliam have made to this ministry and the field of child care. Their legacy of love will continue to impact the lives of children today and in future generations.

## MCH public school students earn academic honors

MCH students who attend public school earned a variety of academic honors during the spring semester.

Students attended Waco High School, University High School and A.J. Moore Academy in the Waco ISD, and youth from the residential program in Waxahachie attended schools in their community.

Yesenia earned recognition on the A Honor Roll. Students named to the A/B Honor Roll were Josh, Harold, Nahom, Calvin, Abenezzer, Mindy and Simona.

Five students – Harold, Lauren, Adam, Abenezzer and Brianna – were inducted into the National Honor Society, and two students – Jennifer and Essence – were selected as “Academic Achievers” by the

Waco school district.

Two residents from the MCH program in Waxahachie – Sarah and Andrew – were inducted into the Beta Club honor society.

“The majority of public school students this year were highly focused on their advanced academic courses,” said Betty Morrow, school coordinator. “They completed advanced placement courses as well as dual credit college courses. Most of them will have completed one to two semesters of college hours by the time they graduate from high school. They have learned that their hard work in high school will pay off in time and money in college.”

## Dan Moore '91 achieves goal of earning law license

MCH alumnus Dan Moore passed the Texas Bar Exam in February and received his license to practice law in the State of Texas during a ceremony in Austin May 24.

The day before he received his license, Moore was guest speaker for the Senior Sunday luncheon at MCH.

During his address to seniors, Moore talked about the influence MCH had on his life and his journey that brought him to the point where he achieved his goal of becoming a lawyer. Moore encouraged seniors to maintain the rela-

tionships they developed with staff and friends and to use the Home and members of the Alumni Association as resources as they pursue advanced education or begin working.

Moore came to MCH at age 15 and graduated from Waco High School in 1991. He said his time at the Home helped him learn to trust others, develop self-confidence and concentrate on his education.

After he left MCH, Moore served several years in the U.S. Navy and later attended Texas A&M University, earning a degree in political science. In

the spring of 2005, he enrolled in the Baylor University School of Law, where he earned a law degree and an MBA degree.

As Moore pursued his law degree in Waco, he attended Homecoming at MCH and became interested in serving on the Alumni Association Board of Directors. The Board members quickly recognized his support of the Home and they elected him as vice president last fall. Moore was instrumental in encouraging many of the Home's alumni from the 1980s and 1990s to attend Homecoming in April.

Dan Moore '91, vice president of the MCH Alumni Association, was guest speaker for this year's Senior Sunday luncheon.

# Methodist Children's Home

## An overview of our ministry

### Mission Statement

- Methodist Children's Home offers hope to children, youth and families through a nurturing, Christian community.

### History

- Founded in 1890, MCH is a non-profit childcare provider affiliated with the seven United Methodist annual conferences of Texas and New Mexico. MCH serves children from diverse backgrounds, without regard to ethnicity, religion or financial status.

### Accreditation

- The Home is licensed by the Texas Department of Family and Protective Services (TDFPS) and accredited by the Council on Accreditation (COA) of Services for Families and Children.

### Residential Group Care

- MCH provides residential group care for about 240 youth, ages 12-18, on its Waco campus and Boys Ranch, and through its residential program in Waxahachie.

### Education

- MCH is committed to meeting the individual educational needs of students. Waco campus and Boys Ranch students attend either the University Charter School or public school.

### Community Services

- MCH serves about 170 children and youth through foster care in Texas.
- The Home provides a variety of family services through outreach offices across Texas and New Mexico.

### Transition Services

- Staff members work with high school students to help them prepare for college or full-time employment.
- MCH provides support services for former residents, ages 18-25, as they adjust to independent living.
- Residents who graduate from high school while under the care of the Home are eligible to apply for scholarship assistance to attend a state university or college in Texas.

### Prevention Services

- MCH supports grandparents who serve as the primary caregivers for their grandchildren through the Grandparents As Parents Program. Services include case management, parent education, support groups and limited financial assistance.
- MCH provides recreational and educational services to at-risk youth after school and during the summer.

# Phil and Mae Smith

## CORE Residential Educators of the Year

*Phil and Mae Smith, homeparents at the Boys Ranch, received a national award in April from the Coalition for Residential Education (CORE). Dottie Briggs, Boys Ranch administrator, submitted the following nomination recognizing the Smiths' contributions to youth and families.*

When Phil and Mae Smith came to the Methodist Children's Home Boys Ranch in November 2001, they came with the intent of making a difference in the lives of youth. The Smiths are genuine and professional in all they do. They are positive role models and provide leadership that is essential for the development and growth of the youth. They are true examples of the MCH philosophy of care as they provide a safe environment and caringly set limits and boundaries that are important to the well-being of youth. They have a high degree of integrity, and they exemplify the Christian spirit and values that parallel with the mission of the Home.

The Smiths are committed homeparents who keep each boy's interests, welfare and individual success at the forefront of their work, and their interests and strengths complement one another.

Phil enjoys working with the boys in the mechanics shop, fishing, hunting and camping. He teaches vehicle maintenance that includes tire rotation, changing motor oil, light tune up and repair work on Boys Ranch vehicles. The mechanics shop is an excellent environment for Phil and the boys to build good relationships. Phil's ability to motivate youth, lead and tap boys' mechanical strengths has led to many youth furthering their technical training after leaving the Boys Ranch.

The Smiths' desire is that boys have an at-home living experience at the Boys Ranch. Mae teaches the boys about good house-keeping while doing home chores. Both Phil and Mae use everyday life experiences to teach social skills, the importance of having proper interaction with peers and adults, developing healthy hygiene practices, and sharing living quarters with other boys. The real "homey" feeling comes into play when Mae surprises the boys after school with homemade cookies. There is nothing like coming home to the smell of fresh baked cookies! The boys also enjoy planned home unit activities – going to the movies, car races, water park and out for pizza.

The Boys Ranch recently received a letter from a mother whose son came to the Ranch last year. In her letter, she speaks highly about the Smiths' compassion and their ability to teach, coach and empower youth. In this particular case, Mae spent many hours talking and reassuring the youth's mother that her son was going

Dottie Briggs, center, nominated Phil and Mae Smith for a national award recognizing their commitment and service to youth.

to be okay. The first step in the Smiths' work with this youth was meeting him in his very "tough and volatile" emotional state and begin building a relationship through communication, respect, trust and love. It took several weeks of talking and sharing before the youth responded to the Smiths. The Smiths recognized the youth's strengths and started giving him additional responsibilities and opportunities. It was through the work of the Smiths that this youth has reconnected with his mother and become a leader at the Boys Ranch.

Phil recognizes that serving others is essential in helping youth heal the pain in their own lives. Over the years, Phil and the boys have given back to the community through their work at Lion's Park, Waco Veterans Memorial Park, Hebrew Rest Cemetery and Keep Waco Beautiful. Phil and his boys contributed over 200 hours of community service work in 2009.

The Smiths are respected by those who work with them. They volunteer to work extra hours and cover other shifts rather than displacing youth at the Boys Ranch to maintain compliance. We can always count on the Smiths to help with setting up and facilitating programmed activities. The Smiths offer other staff members their wisdom from many years of child care experience. They continue to participate in child care training and are valuable members of the Continuous Quality Improvement (CQI) committee.

The Smiths have contributed to building a strong and viable program at the Boys Ranch. Phil and Mae Smith are well deserving of this award.

**"The Smiths have contributed to building a strong and viable program at the Boys Ranch."**

# Circle of Friends

*Recognizing the friends of Methodist Children's Home for outstanding contributions in the support of children throughout Texas and New Mexico*

## **What is the Circle Of Friends?**

The Circle of Friends was created by the Board of Directors in 1990 at the beginning of our second century of ministry to children. It is designed to give appropriate recognition and expressions of appreciation to those who generously support Methodist Children's Home boys and girls. The Circle of Friends does not include all gifts to the MCH endowment fund.

## **Who can join the Circle of Friends?**

Individuals, businesses, United Methodist Women and Men's groups, Sunday School classes and civic organizations may be members of the Circle of Friends.

## **What if I do not want my name publicly announced?**

In January, we mail a card to each donor asking for permission to list his or her name in our Circle of Friends. We only print the names of those who have returned the card, granting permission

to print. We respect your privacy and the confidentiality of your gifts. At any time, you may indicate that you wish all gifts to remain unrecognized and we will mark your record accordingly.

## **Will my church receive credit if I send my gift directly to the Home?**

Yes, when you request church credit. We routinely send all gifts back through the annual conference treasurer for church credit, just as your church treasurer does when a Methodist Children's Home gift is given through the church. Please let us know the name of your church when you make your gift.

Methodist Children's Home does not receive any funds through apportionments. All giving to the Home is through the free will of those who love Methodist Children's Home boys and girls and who give generously, above and beyond gifts to the local church.

## **Giving Levels**

Methodist Children's Home has been blessed with a heritage of friends who we are pleased to recognize in the Circle of Friends.

Bobby Gilliam and Josh Shroyer embrace following Josh's testimony during Mr. Gilliam's final worship service as president of Methodist Children's Home April 25. Josh, a former resident of MCH, expressed his love for Mr. and Mrs. Gilliam and his appreciation for their influence on his personal growth and his role as a father. MCH alumnus Pablo Villanueva and Josh, a current resident, also thanked the Gilliams for their influence on the lives of youth and families.
